AT A GLANCE

Our partner wanted to plant roots in Central Ohio with the support of a partner that could build out a robust IT team and streamline process inefficiencies.

THE MAVEN WHY

Our goal was to foster success for our partner in Central Ohio by developing a strong, culture-driven and solution-oriented partnership. Additionally, creating economic growth in Central Ohio—our own community.

KEY HIGHLIGHTS

2018

Establishing roots In Central Ohio

From July 2018 to December 2018, a team led by Maven's CEO Suresh Rachuri, hired more than 300 IT professionals as they transitioned their Headquarters from Denver, CO to Columbus, OH. Building the entire Restaurant Technology Group, Information Systems Group, Enterprise Architecture Group, E PMO, and Infrastructure & Security Group.

2019

Infrastructure Modernization & Continued Workforce Solutions

Maven partnered to modernize 2,500+ stores from Windows 7 to Windows 10 in 9 months of a 12 month scope of work. Our partner then utilized Maven to provide command center T2 solution support. This support brought 32 jobs back to Ohio that were previously outsourced offshore.

2020

Staff Augmentation & System Automation

Maven continued to reinforce the digital optimization by providing the Menu Innovation Team and Command Center Team—continuing to invest in uplifting and upskilling the Maven team. In addition, Maven provided a tailored, automated payroll process utilizing a designed Power App, saving 80+ hours in manual processing per week.

2021

Established Partner

Continuing to support the digital optimization efforts, the Command Center Team, the Food & Safety Team, Guest & Employee Experience Team, talent acquisition, and executive search, our partner has recognized Maven as an extension of their team—proving to be a trusted advisor.
